

One-day Weekend Workshops

Landscape at Dr. Neil's Garden

The course is inspired by the variety of beautiful the greenery of Dr Neil's garden , where we will draw and use pastels or any other media you bring along. We will be ready for all weather conditions with sheltered, shady and wind free spots, all with excellent views.

If the weather is inclement the greenhouse and high walls provide protection from wind and rain. A cushion in a plastic bag is very handy, so you can sit anywhere or a folding chair.
